May 23<sup>rd</sup> Community/Steering Committees Update

June 3<sup>rd</sup> COW Comp Plan Update

# Our Mission

**By providing a future-focused education, the West Perry School District prepares, inspires and empowers every student, every day.**

**\*\*Required Policy 101 change (Board approved on May 13, 2024)**

# Our Vision

**The West Perry School District, in partnership with families and the community, prepares students to be well-rounded members of society through personal success and strong leadership dedicated to excellence to thrive in our world.**

# Priorities for the 2024-2027 WPSD Comprehensive Plan

1. Development of a standards-aligned Pre-K-12 district curriculum for all students via a transparent curriculum platform that communicates clear learning targets to all stakeholders.
2. Commitment to a comprehensive professional learning plan to support the implementation of effective instructional practices and family engagement in all schools.

# Progress of the 2024-2027 WPSD Comprehensive Plan

So far.....

- 1. Purchased the ATLAS curriculum platform; leadership team is in the process of planning implementation**
  - Core Team Unit Template Design
  - Administrator and Navigation Tech Training for Leadership Team
- 2. Professional Development survey(s) administered to determine:**
  - teacher curriculum developer interest
  - prioritization for professional learning
  - mandated trainings planned (modality preferences)

# Progress of the 2024-2027 WPSD Comprehensive Plan (continued)

3. School Improvement Surveys administered to parents, students, teachers to establish baseline data
4. District plan(s) “alignment checks”
  - Special Education, Title I School-Wide Plans, MS/HS Plans & K-12 Guidance Plan
5. Initial Curriculum Cycle and 2025-2026 budget and professional learning planning (“managing the mandates”)

- **Analysis of Surveys**
- **Professional Development Planning and Coordination with survey feedback**
- **Review of Steering Committee Feedback (from May)**
- **Share Professional Learning Plans for 2024-2025**
- **Curriculum development team training and writing**
